Mac & Jacks African Amber

Redmond, Washington

Brewed in Seattle, and available only by the keg, this Pacific Northwest beer is a sweet malty beer with a hint of honey. This micro brew is magnificent amber ale. *Island review*

Pyramid Haywire Hefeweizen

Seattle, Washington

The Standard by which all other wheat beers are judged. Our deliciously deranged American-Style Hefeweizen is an award winning take on this Bavarian classic. This refreshingly unfiltered wheat ale delivers a distinctively smooth flavor worth sharing with friends.

Pike Kilt Lifter

Seattle, Washington

This Scotch Style Ale is Ruby in color and has layers of rich malt and a subtle smokiness a little like a single malt. Like the finest Scotch whiskeys it is slightly smoky because of the peated malt.

Bitburger

Germany

Bitburger guarantees premium quality and enjoyment. Drawing on almost 200 years of expertise, the full-bodied, light Bitburger Premium Beer is of course brewed according to the German Purity Law. Its popular, dry-finished, hoppy taste has secured Bitburger Premium Beer its position as Germany's no. 1 draught beer.

Deschutes Black Butte Porter

Bend, Oregon

Black Butte Porter, crafted from chocolate and crystal malts, is Deschutes Brewery's flagship brand. With a rich and distinctive flavor, this porter has enjoyed a loyal and passionate following since its first pint in 1988.

Stone IPA

Escondido, California

You'll find the Stone India Pale Ale to be true to style with a huge hop aroma, flavor and bitterness throughout. It is a deep golden color and a medium bodied Refreshing Ale which has light to medium malt character with a heavy dose of over the top hops! Two full weeks of "dry hopping" give this beer its abundant hop aroma and crisp hop flavor.
